# SANGITA JHA

## A Brief Review

The combination of Libra Ascendant ( Lagna ) on the rise with Aries Navamsa and Gemini Dreshkana in the first Pad of Vishakha at the time of your birth denotes you are an utterly selfish human being who is fortunate to be blessed with worldly comforts and pleasures.

What prompts you to go all out to amass wealth is you just can't stand others being more prosperous than you. Hence you will learn all the tricks of the money-making trade, including bringing about a quarrel between two parties and profiting by it. You will succeed in earning a lot, especially in your 21st, 28th and 34th years.

You are so proud, impatient, aggressive that you will rub many people on the wrong side. Most of the persons with whom you come in contact will resent your bratty manners and some of them will become your enemies. But you will get the better of them by the sheer power of your strong character. However, they will remain your permanent foes.

Your imposing personality, with your questionable character, will make you both popular and notorious. You will have to be patient and tactful in your dealings so that your overall image is not sullied.

You will also have to be diplomatic on the home front if you desire a harmonious domestic atmosphere. Since you are over sexy, you will make many demands on your partner and get upset if your wishes are not satisfied. If you proceed with care, you can have a pleasant homely life, as your spouse will do the best to keep you happy. You can also hope to have very good children.

Ever agile and active, you will undertake many journeys in the pursuit of earning money. Due to that, you will have untimely meals and consume varied diet, which may, in later years, affect your splendid health. You will have to be careful about you food if you want to avoid getting stricken with diseases like tumour, congestion of the brain and urinary troubles.

For a go-getter like you, the ideal days to attend to important work are Monday, Tuesday, Wednesday, Saturday and Sunday. While Friday will be moderate, Thursday portends evil.

Avoiding numbers 3, 5, 6 and 9, prefer 1, 2, 4 and 7 which will be favourable.

# SANGITA JHA

Opt for red, orange and white colours. Reject yellow and green.
